Reasons for Allowance

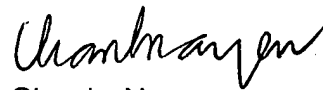

1. The following is an examiner's statement of reasons for allowance:

The independent claims all recite that (1) "the plurality of second wirings (or routing wirings in claim 4) facing and being connected to the plurality of first wirings (or sub-wirings in claim 4) through the transfer member" (2) " the first substrate being formed with a plurality of first wirings and the second substrate being form with a plurality of second wirings". None of the references, either singularly or in combination, discloses the above limitations as claimed in all the dependent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
